A VICTIM

How many may have perished in the colossal massacre of the past few years? We do not yet know. Europe is just beginning to identify and count her dead. New names are added, almost every day, to the list of victims.

The most recent piece of saddening information reached me from Amsterdam. According to this report, the Dutch publisher, Emmanuel Querido, was deported to Poland, in 1943, and has been heard of since. That means he is dead -- what else?

Millions died in the annihilation camps; yet we find it almost incredible that ^{one of our friends} someone we knew and liked should have been murdered that way. For, while our mind is incapable of ~~imagining the~~ ^{ago} visualizing million fold agony, we are only too able to imagine the suffering of a person we knew and liked.
