THE NAZIS ARE PREPARING FOR GUERILLA WAR IN GERMANY!

Gebels and
Himmler, ~~Ley and other Nazi leaders~~ are making appeals and frantic preparations in your homeland at this very moment, to organize ~~armed~~ resistance to the Allies ~~occupation forces~~. *after the occupation of Germany.*

~~Himmler wrote on 4.12.1944: "In der Nacht"~~

These insane plans also throw some light at the otherwise inexplicable ~~question~~ *riddle*:

Why are 27^(b) divisions kept here in the defense of Italy?

Why are 30^(b) divisions only defending Germany's western frontiers?

Is the Nazi plan to call upon the remnants of German divisions in Italy for carrying on guerilla war in the Austrian and Bavarian mountains ~~where the Nazi leaders~~ *after they had been chased out from Italy?*
Are you, members of the German army in Italy, destined to become "Buschmenschen"?
Guerilla war has a fateful ring in the German soldier's mind. ~~You know~~ what partisan war can mean to a country. Many of you have seen its repercussions in Russia, Poland, Yugoslavia and finally, right here, in Italy.

In one, essential respect, partisan war in Germany would be different. Allied partisans knew why they fought. They were willing to pay the terrible price, because they had their own armies in their rear and ~~that~~ their liberation was a matter of time. They fought to contribute to their own liberation.

"Buschmenschen"

But what can German partisans fight for? On whose help can they count? They would be alone in Europe after the ~~defeat~~ military defeat of Germany. Or can they, perhaps, count on fighting on, until Japan-their last ally-would send over an army to liberate them?...

The Nazi appeals for German guerilla war have one and only purpose: to prolong the guilty lives of the Nazi leaders for as long as the last German partisan ~~can~~ *will* fight for them.

To achieve this, they are creating a new fanaticism:

the Untergangsfanatismus (fanaticism of extinction)

This Untergangsfanatismus would complete the total destruction of the German homeland and the extermination of the German youth.

If you doubt that the Nazis will refrain from doing just that,

REMEMBER WHAT HITLER SAID OPENLY:

 "WENN DAS DEUTSCHE VOLK SEINEN KAMPF NICHT SIEGREICH ZU BEENDIGEN VERSTEHT, VERDIENT ES KEIN ANDERES SCHICKSAL ALS UNTERZUGEHEN !"

(If the German people does not know how to end its struggle victoriously, it doesn't deserve but extinction)

A9

Here is what your enemies are offering you
as an alternative to ^{the} Nazis' Untergangsfanatismus:

TO THE GERMAN POPULATION:

GEN. EISENHOWER'S PROCLAMATION (from).

- 1/ ABOLITION OF ALL NAZI INSTITUTIONS AND LAWS
CONTINUATION
- 2/ PEACEFUL ~~CONTINUATION~~ OF NORMAL CIVILIAN WORK.

TO THE GERMAN SODDIER:

GENEVA CONVENTION:

- 1/ FAIR TREATMENT
- 2/ REEATRIATION HOME AT AN EARLY DATE AFTER THE WAR.
