L u n t s i n W i s c o n s i n .

I think, we have a moment alone. The producer, - I have sent him to Harlem, looking for new faces, - and for darling Jo: he is down on fourteen street; also he is looking for New Faces. And Roberts? Well at this moment he is vanishing somewhere. Now, - you know, - I know, that you know, that I know, that what you really want are old faces, - good old famous faces. I agree. I personally talk only to prominent ~~HHHHH~~ faces. In Salzburg I spoke only to Toscaninis and Max Reinhardts faces, - and behind Dietrichs and Gipsie-Rosalie's backs, - And since, for the moment, we have not to consider my dear friends and their niegel nagel neue New Faces, - let us have some good, ripe, well-cured, mossy old faces! I have some, - hidden in an ice-box back stage and I think this is the moment to bring them out! Ladies and gentlemen: The Lunt 's
