Mr. Michael Mann

Dufour Street 32
Zollikofen

Sir.

I understand that you are planning to spend a week or so on the Italian isle of Ischia at the exact time when my wife, Mrs. Yalta Rolfe-Menuhin (known also as Teheran Rolfe-Menuhin) will be vacationing there.

May I not tell you that I have seen fit in advance to warn the authorities as well as the mental medical departments on Ischia of your threatened visit. Under no circumstances, therefore, would you be capable of spending even one day in freedom while on Ischia. Rest assured that you will be taken care of just as soon as your ship comes in. By saying this I mean that, first of all, Yalta will be present on the quay in order to rob you of the miserable remnants of your oily hair, consequently to hit you with a blunt instrument which will cause the police ~~seizure~~ to serve you with at least 96 stitches. In due time and after having served your sentence as a criminal madman you will be deprived of your passport and sent to a neighbouring, though uninhabited island. Needless to say, before being thus deported you will have to pay not only for all treatments received but also and quite particularly for the tremendous nervous strain you will have caused Teheran even by coming near Ischia.

And that, Sir, is all. For some reason or other I sincerely dislike the idea of giving you as much as one additional thought.

Yours truly
