4. Mai 1968

Dear Mrs. Lancaster, -

je vous en prie! That minor mistake is of no particular importance, and I am both moved and embarrassed by your Grief-stricken apologies. Please hurry and forget the whole thing!

Although I still somehow doubt that Brian died the way the official version has it, I am happy even with the possibility that he might have done so. Those three days which - in the version known to me thus far - passed between Sam's fight with B. and Sam's death have always been an utter nightmare to me, while the idea of Brian's following beloved Sam into the grave holds no special horror for me, considering the fact that Brian was finished anyway.

I am sad to learn that the critics have proved exactly as stupid as was to be expected. Once in a while one does like to be pleasantly surprised. O well...

For my part I am happy with your book and certain that the volume pays as fine a tribute to our friend as could have been hoped for.

With kindest regards,

Yours very sincerely,
