Mr. Frederic Ewen
410 Central Park West
New York 25, N. Y.

Dear Mr. Ewen, -

it was with great interest that I read your letter of May 23rd addressed to my mother. I know that she replied but as she was about to undergo an operation at the time and had a great number of things that needed settling, I can't be sure whether she didn't just advise you to get in touch with Kay Brown at Ashley Steiner Inc. It is just possible that she overlooked the fact that you were coming to Europe.

Unfortunately, you haven't given us any idea as to your whereabouts overhere. So, I am sending this note to your New York address in the hope that it will be forwarded.

Needless to say both my mother and myself should be very glad to see you and discuss your plan concerning "The Magic Mountain". My mother will be here until July 20th while I am planing to stay until the 29th. Owing to a very tiresome bone complaint I am hospitalised and can't even say whether I'll be able to leave as planned.

At any rate please do communicate with us so that a meeting maybe arranged for.

Yours very sincerely,

20/258
